

# **OIDA – Think Tank Committee**

## **Brief Operations Report**

As an intelligence hub – Think tank committee was established at OIDA meeting on 27 August 2023. The committee had its inaugural meeting on 10 September 2023. Membership was extended to other industrious indigenes outside OIDA to benefit from a wealth of diversified experience

A Scope of work was agreed. The committee embraced the challenge to review the multifaceted trials and blessings of the hometown, address opportunities to promote economic growth and development in the overall interest of Orin Ekiti

The committee is poised to address the issues listed herein.

1. Prioritise Agricultural giftings of Orin Ekiti. Explore opportunities in immediate planting season, research, identify potential markets for the produce, ensure economic viability of the farm operations to boost the yield and prosperity of our people
2. Revisit the potentials of Orin Farm Settlement in its original form, build intelligence, arrive at prospects for Federal Government intervention to encourage the stimulation of Food Security initiative of the Government within the larger compass Orin Ekiti interest
3. Explore possible economic activities including private investments in Agriculture and or renewable Energy ( Solar stations , Wind farm etc)
4. Make Orin relevant to Ekiti State to become sought after object of protected priority driver for development in the interest of the state
5. Evaluate a framework to monitor the progress of the activities and measure their impact, ensuring that the project stays on track and meets its objectives.

These challenges are enormous. We are committed to joining hands to work together with a wealth of diversified experience to achieve the desired goals.

The committee will benefit immensely on your good support to accomplish the huge tasks

Thank you
